

CLAIRE ARISTIDES™ Jewellery School

Corporate Events

Why not spoil your female clients and colleagues to a truly unique experience with a day or evening jewellery styling and making workshop.

We offer an informal styling and colour consultation with the guidance of the jewellery instructors, as well as teach you and your colleagues the techniques of jewellery making, allowing you to create eye-catching personally designed jewellery.

This is an opportunity for you to dazzle your clients by enabling them to design and create a perfectly suited piece of jewellery with a choice of beautiful Swarovski crystals, freshwater pearls and semi-precious stones.

The choice is endless to mix and match combinations and create a stunning piece of jewellery. It will be theirs to take away and keepsake forever along with the skills and techniques they learn on the day.

This is a fun event which gives clients a rare opportunity to get creative, learn a new skill and leave with a personally designed piece of jewellery.

Participants learn how to:

- Design and make 2 pieces of stunning personally designed jewellery.
- Understand the correct tools and equipment for different materials.
- Understand different beads, crystals and components.
